

Press Release 19/05/06

On the move...

On 26th May 2006, we will be relocating to:

Frankland Road, Blagrove, Swindon, SN5 8YG.

Some Background Information.

ODS Business Services is an amalgamation of three leading Businesses: the largest UK CD and DVD duplication service: Databiz, the largest UK software fulfilment house: Thamesdown, and the largest CD and DVD replicator: ODS (UK).

All of these companies positive assets were purchased over the last 5 months.

The name “ODS Business Services Limited” is our program: to service businesses for all their needs in fast disc duplication, fulfilment, and CD and DVD Replication. It clearly shows a link between us and our parent company, ODS Optical Disc Service GmbH.

ODS is the largest Optical Disc Manufacturer in Europe with a capacity of over 2.6m discs a day. As a group we now employ over 2850 people across Europe and have facilities in 9 European countries.

The amalgamation of personnel, experience, operations, production and locations from 3 different businesses has given us the opportunity to offer you the most comprehensive line of business services in the UK at the best possible prices with the usual high quality level of service.
